Participant Information Packet

Hello 2024 Silicon Valley Women in Engineering Conference Participants,

The Charles W. Davidson College of Engineering at San José State University (SJSU) is proud to bring to you the <u>2024 Silicon Valley Women in Engineering Conference</u>, "*Responsible Engineering for a Better Future*," Saturday, March 16, 2024, 7:30 am -7:00 pm PDT. Nearly 100 industry professionals and San José State University professors will be participating to share with you their technical expertise and career insights. Many of our event sponsors including Google, NETGEAR, and Dexcom will showcase their innovations and connect with you during the Innovation Showcase and Networking Reception from 5 to 7 pm.

There will be prize drawings during the morning keynote and at the conclusion of the conference. You must be present to win. You won't want to miss the first drawing of a **\$500 book scholarship** sponsored by Dexcom immediately following the morning keynotes. Please drop off your raffle ticket by 8:25 am to qualify.

Please **arrive early** to secure your seat, enjoy a delicious breakfast, and engage with fellow students from all throughout California. Please **have your Eventbrite ticket ready** to show at Registration to speed up the check-in process. The opening address **starts on time** and **latecomers will not be allowed** to attend the keynote.

To maximize your experience from the conference, we suggest you to:

- 1. Arrive early, <u>prepay</u> your parking before the conference to avoid lines and hassles, and have your Eventbrite ticket handy at Registration.
- Visit the conference <u>website</u> for up-to-date information and map out your personalized conference schedule prior to the conference.

If you have any questions, please email us at WiE-Engineering@SJSU.edu.

See you on March 16th!

Recommended Dress Code: What to wear - Professional Appearance

The SV WiE Conference is a full-day event and your comfort is very important. At the same time, in addition to this being a professional development event, it will also be an opportunity to network with industry professionals. To ensure you make a good impression with industry professionals and professors, the dress code is business formal/business casual. Examples are shown in the diagrams below.

What not to wear: No jeans or athletic wear.
